

Product: Kids Underbed Storage Wagon

Storage doesn't always have to be utilitarian. Our 34.5" x 13.5" x 6" fabric underbed storage, decorated like the familiar little red wagon, can bring a smile to even the most practical organizer. Slide it under your child's bed to take advantage of one of the most overlooked storage spaces in your home. Although ideal for a child's seasonal clothing, the Little Red Wagon Underbed Storage Box can hold just about anything: bed sheets, small toys, or craft supplies. Each storage container has one compartment that closes with a zipper and an easy-to-grab black handle.
